

LITTLE BAD BUBBA

THE KID PEOPLE LOVED TO HATE

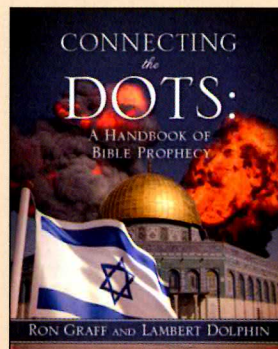

Charles Armstrong, Jr.
El Paso, TX

During the thirty years I taught in public schools, I saw a multitude of young people who were facing devastating problems, both at home and at school. I wrote the book, *Little Bad Bubba*, to provide hope for all middle and high school students who feel unloved and who see their lives as meaningless and without purpose. *Little Bad Bubba* points to Jesus Christ as the source of their hope and lets them know that they are loved unconditionally, no matter who they are or what they have done.
