★★★★★ **GREAT Book!**, June 19, 2014

Ron Graff's latest book is amazing! His ability to reference scripture and interpret Revelations is straight forward and understandable. I have read all the books this author has written, and this latest book is captivating. Every night I read it I learn more and more about the end times and the Apostle John's vision of what's to come. If you love prophecy this is the book for you! I HIGHLY recommend it! - Martha Driggers

7/2/14 - JUST FINISHED READING THE BOOK. SO WELL WRITTEN WITH GREAT SCHOLARSHIP. I ENJOYED THE HISTORY OF THE CHURCH IN RELATION TO PROPHECY. SO INTERESTING TO READ HOW WE HAVE ARRIVED AT THE CROSSROAD THAT THE CHURCH IS AT TODAY BY A STUDY OF THE PAST. I CAN SEE A GREAT AMOUNT OF STUDY AND RESEARCH WENT INTO THIS FINE BOOK. - BILL VOGEL
